Dear Jesse,

The Bound Brook Memorial Library Staff would like to thank you for joining us during our celebration of Hispanic Heritage Month. Your presentation of "World Cultural Music" on October 6, 2007 was both enjoyable and educational.

Our patrons truly enjoyed accompanying you on your *Musical Journey*. As they sang and danced to the Latin American & Caribbean rhythms it was clear that they had a great time participating in your very interactive program. I was very impressed when you brought the program to a close honoring our very own United States of America with *America the Beautiful!* I am sure that our patrons would not hesitate to join you in another musical trip around the globe!

It will be a privilege to welcome you for another visit here soon. Again, thank you very much for a wonderful presentation and we wish you all the best in your musical endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "Vivian K. Carey". The signature is written in a cursive style with a long, sweeping tail that extends to the right.
